You will have just enough time to discover what makes the park so special on morning and evening game drives. Your afternoons are more quiet giving you a chance to relax or enjoy some of the optional activities available (at extra cost) including cultural visits and sundowner excursions.

The next leg of your safari takes you to the famous Maasai Mara home to the great wildebeest migration. You are booked at Speke's Camp for 4 nights leaving you plenty of opportunities to discover first-hand what makes this eco-system so special.

After a great safari, you will fly to one of Kenya's most beautiful beaches and spend 3 nights just relaxing and soaking up the sun before you fly back to Nairobi.

Day 1 & 2: Ol Tukai Lodge, Amboseli National Park**Amboseli National Park**

The landscape of Amboseli is dominated by the snow cap of Mount Kilimanjaro, open plains, acacia woodland, swamps and the massif of Ol Doinyo Orok. Renowned for its excellent Masai giraffe, elephant, lion and cheetah viewing and not surprisingly it is one of Kenya most popular parks. The birding is excellent especially near the lakes and swamps.

Overnight: Ol Tukai Lodge

Ol Tukai Lodge is one of the best spots in the world to watch elephant with the backdrop of Africa's highest mountain, Mount Kilimanjaro. Writers have described Ol Tukai and the surrounding Amboseli National Park 'as a home for the Gods'. A place of rugged beauty, abundant water, lush grass and forest, set like an oasis in surrounding savannah scrub. To crown it all, the Gods look upon one of the worlds most awe-inspiring sites – as dawn breaks and the sun sets from the 19,000 foot snow capped dome of Africa's highest mountain.

Day 3 - 6: Speke's Camp, Mara North Conservancy

Mara North Conservancy

Mara North Conservancy is a beautiful private wilderness area of more than 74,000 acres. It is home to a spectacular array of plants, reptiles, birds and mammals; including elephant, rhino, buffalo, lion, leopard, cheetah and large concentrations of wildebeest, zebra, gazelle and other migratory wildlife. Leopard Gorge, in the heart of the conservancy, is famous as the setting of countless BBC Big Cat Diaries and National Geographic documentaries. Bordering the Maasai Mara National Reserve, the conservancy is vital for sustaining the famous Serengeti wildebeest migrations and the highly threatened African wild dog and black rhino.

Overnight: Speke's Camp

Speke's Camp is a small and hosted camp located in a private area of the Maasai Mara on the border of the Reserve; the camp enjoys fabulous access to some of the best gaming areas in the Mara including Rhino Ridge, Musiara Swamp and Paradise Plains.

The eight traditional safari tents with en-suite bathrooms are situated alongside the Olare Orok River under the shade of majestic indigenous trees. Game drives are with first-rate Maasai guides into the National Park and can include bush breakfasts and sundowners. Hot-air ballooning can be arranged with the Head Office before arrival. Speke's charm lies in the fact this is a simple-comfortable traditional safari camp, hosted with all the necessities, yet within an affordable price-bracket.
