## Day 1 & 2: Satao Elerai Camp, Amboseli National Park

---

### Amboseli National Park

The landscape of Amboseli is dominated by the snow cap of Mount Kilimanjaro, open plains, acacia woodland, swamps and the massif of Ol Doinyo Orok. Renowned for its excellent Masaai giraffe, elephant, lion and cheetah viewing and not surprisingly it is one of Kenya most popular parks. The birding is excellent especially near the lakes and swamps.

---

## Overnight: Satao Elerai Camp

Wake up in the coolness of the early morning and watch the first few rays of the sun hit the blue Mt. Kilimanjaro, Africa's greatest mountain. Satao Elerai is an eco friendly luxury camp tucked away in the corner of the famous Amboseli Ecosystem, close to the famous Amboseli National Park.

Satao Elerai represents 5 luxury suites and 9 charming canvas tents. The gorgeous lodge style suites feature gently sloping organic walls, built with natural rocks, acacia wood and a carefully constructed thatched roof; large sliding doors opens up to a private verandah overlooking the plains of Elerai Conservancy and the Amboseli National Park. Each suite has a spacious bathroom with private view of the surroundings, hand crafted bathtub, shower, flush toilet and hand wash basin.

## Day 3 & 4: Kicheche Laikipia Camp, Laikipia

### Laikipia

Laikipia is where Kenya's wild and semi arid northern frontier country starts. The majority of the conservation occurs on privately owned and community ranches centred round the Laikipia National Reserve. Many of the ranches run cattle together with wildlife safaris and you can experience conservation that includes rather than excludes people going about their day to day lives, conserving not only wildlife but a way of life. Many of the lodges are family homes and despite this domesticity the wildlife includes dangerous game like lion, leopard, buffalo and elephant.

### Overnight: Kicheche Laikipia Camp

Laikipia Camp is a small luxurious tented camp, nestled at the foot of indigenous forest overlooking a waterhole, in the centre of the Ol Pejeta Conservancy. The camp consists of six luxurious tents. These large tents are custom designed and are fully insect-proof with en-suite bathrooms equipped with a flushing toilet, shower and hot and cold running water. A family tent, sleeping up to 4 guests, is also available. Game viewing is possible from the comfort of your verandah, overlooking the water, with wildlife activity throughout the day. There is a spacious well furnished lounge and dining tent with two fireplaces for the cooler evenings. Breakfast and lunch are often taken al-fresco if weather permits. There are comfortable chairs on each verandah overlooking the waterhole. One tent can be converted into a triple on request. There is a spacious well furnished lounge and dining tent, although we prefer to eat alfresco if weather permits.

**Day 5 - 7: Mara Bush Camp, Maasai Mara Reserve**

---

**Maasai Mara Reserve**

The Maasai Mara together with Tanzania's Serengeti form Africa's most famous wildlife park. The image of acacia trees on an endless grass plain epitomises Africa for many, and then add a Maasai warrior and some cattle to the picture and the conversation need go no further.

The annual wildebeest migration through the Serengeti and the Maasai Mara is the largest mass movement of land mammals on the planet – with more than a million animals following the rains. But that is not where the game viewing ends; large prides of lions, elephants and giraffes in grasslands, gazelles and eland to mention but a few. Aside from traditional vehicle safaris, hot-air ballooning over the Mara plains has become almost essential and you can even do a horseback safari.

---

**Overnight: Mara Bush Camp**

Mara Bush Camp offers you everything desired in an “authentic safari experience”! Discreetly ‘tucked away’ in a riverine forest on the banks of the seasonal Olare Orok River with an excellent location close to Ol kiombo airstrip, it is situated in heart of the Maasai Mara Game Reserve.

All 12 river front tents have been placed far enough apart to guarantee complete tranquillity and privacy. All tents are furnished with a comfortable 4 poster bed (double/ twin available on request) mosquito net, en-suite bathrooms and safari style shower, clothes rack & storage chest, writing desk & private veranda.

Additional features are a comfortable Lounge and Bar Tent as well as a private Dining Tent where a selection of freshly prepared meals, mostly buffet style, are served by our in-house chef, who caters for all dietary requests happily. Our chef will also ensure that picnic meals are readily available for all those who prefer to stay out in the bush all day long. For photographers, a separate Photo- Lounge to charge camera equipment and laptops has been set up. The little boutique shop compliments the set-up and one can purchase unique souvenirs to take home.

Unwind around a cozy campfire under the African stars whilst reminiscing about your day in the wild. The Camp is fully solar powered, but a generator (well tucked away to ensure complete silence) is available to provide power as a back-up system.

Mara Bush Camp is not fenced, therefore Maasai 'Moranis' (Warriors) will look out for your safety while you are sleeping.

The little luxury Camp is for the visitor who appreciates maximum privacy away from mass tourism and wants to enjoy an authentic 'safari' experience rather than a large, touristic lodge with swimming pool & entertainment. Are YOU dreaming of "sleeping under canvas "a' la Ernest Hemingway?
